IL MONDO DELLA CERAMICA

Classici senza tempo, ultime tendenze o riproduzioni che si distinguono a stento dal materiale originale come il legno o la pietra naturale: scoprite la nostra selezione pressoché illimitata di piastrelle in ceramica.

Sfogliate l'opuscolo per farvi un'idea della varietà di colori, design e formati e venite a trovarci in uno dei nostri showroom. Vi aspettiamo!

Con la nostra fitta rete di showroom siamo sempre vicini a voi in tutta la Svizzera. Vi aspettiamo con un ricco assortimento e un competente servizio di consulenza per soddisfare le vostre esigenze individuali. Sulla nostra pagina web www.reguscireco.ch troverete di certo uno showroom nella vostra zona.

Costruire una casa o rinnovare il bagno non è facile, soprattutto se non si ha familiarità con la zona. Possiamo aiutarvi! Grazie al nostro innovativo Regusci-Reco.configuratore, le piastrelle possono essere visualizzate in un ambiente realistico in pochissimo tempo e si possono visualizzare altri formati o colori con diversi metodi di posa e colori delle fughe. Queste possibilità quasi illimitate fanno sì che la creatività non abbia praticamente limiti.
